CERTIFICATE OF CONSTANCY OF PERFORMANCE

No. 1020 – CPR – 090-030835

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product:

Product

Structural bearings

variant: **Elastomeric bearings**

Type of rubber: **CR, NR and combined CR/NR**

Type A – laminated bearing fully covered with elastomer comprising only one steel reinforcing plate; Type B – bearing fully covered with elastomer comprising at least two steel reinforcing plates; Type C – laminated bearing with outer steel plates (profiled or allowing fixing); Type D – Type B with PTFE sheet bonded to the elastomer; Type E – Type C with one outer plate bonded to the elastomer and PTFE sheet recessed in the steel; Type F – plain pad bearings and strip bearings
with dimensions in plan less or equal to 1200x1200mm, for minimum operating temperature of -35°C as sliding bearings type D and E and -40°C for fixed bearings

produced by or for

AGOM INTERNATIONAL S.r.l.

INo: IT12764880154

address: Via Mesero 12, 20010 Ossona (MI) - Italy

and produced in the manufacturing plant(s):

AGOM INTERNATIONAL S.r.l.

INo: IT12764880154

address: Via Mesero 12, 20010 Ossona (MI) - Italy

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the standard

EN 1337-3:2005

under system 1 are applied and that

the product fulfils all the prescribed requirements set out above.

This certificate was first issued on 1st February 2014 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.
